Disaster Preparedness Drill for Foreign Residents

January 25, 2018 (Thursday)

9:00a.m. to 13:30p.m.

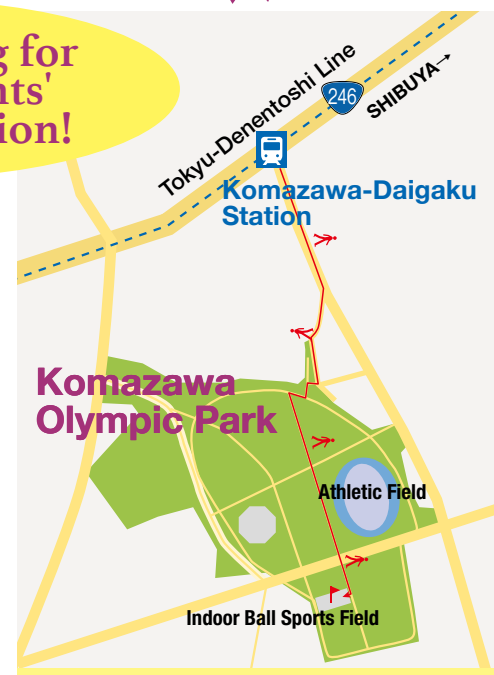

Komazawa Olympic Park Indoor Ball Sports Field

Free Entry

Content of training planned

- Experience the shaking of a major earthquake.
- Experience what it's like inside a shelter.
- Learn how to give chest compression and artificial respiration.
- Learn how to prepare for disasters by making full use of the "Tokyo Bousai" manual.

We are looking for foreign residents' participation!

Access

- "Komazawa-Daigaku Station" of Tokyu-Denentoshi Line
- About 16 minutes on foot

Volunteer interpreters will assist you in all the training, so please participate with ease!

Please see the other side for the details of how you can participate in the training.
